DESCRIPTION

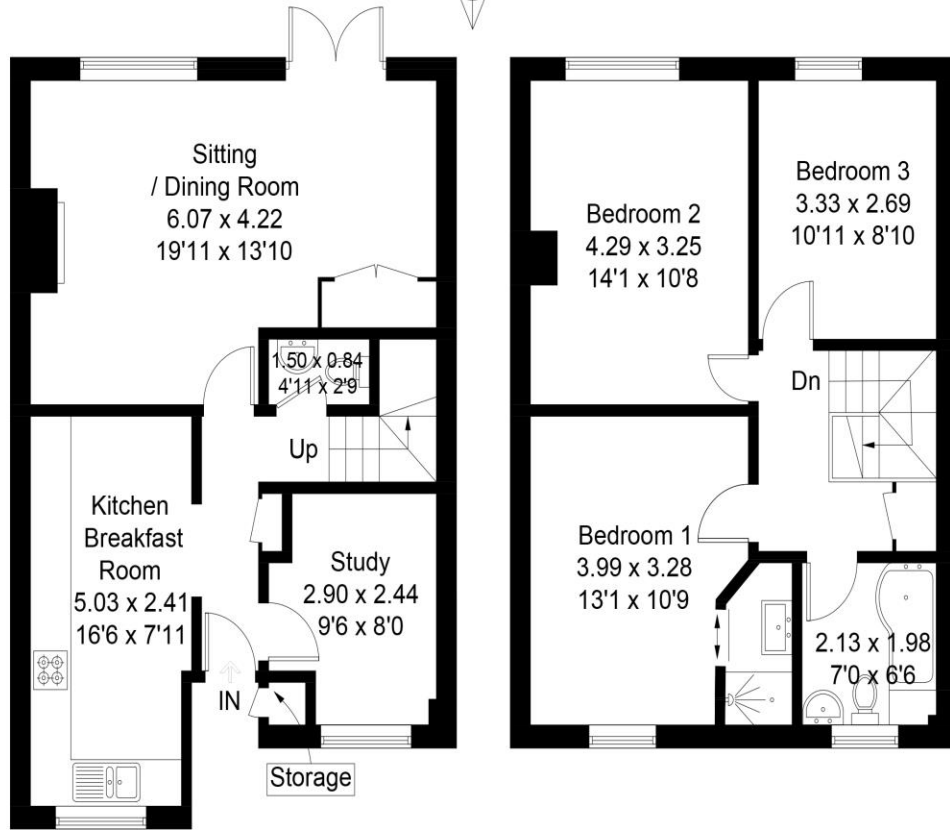

6 Aspen Way is a super home that offers light and bright accommodation in a sought-after location. By the front door, in the porch, there are two store cupboards one above the other; one housing the boiler and one for storage. From the front door, the entrance hall leads to the modern fitted kitchen breakfast room, the study / playroom, the W.C. and the open plan sitting / dining room with double doors opening to the garden. Upstairs there are 3 double bedrooms and the master benefits from an en-suite shower room with wash hand basin and a family bathroom. The rear garden is enclosed and offers a good degree of privacy. The property has double glazing, gas fired central heating and in our opinion is certainly worth an internal inspection to appreciate the space this home has to offer.
